

SIBSPlace is honored to be selected as a grantee of the Mother Cabrini Health Foundation.

Through this partnership, and the work of countless organizations across our state, the Mother Cabrini Health Foundation is working to support vulnerable communities in each corner of New York. This grant will support the SIBSPlace Bereavement Program by allowing us to offer year-round bereavement support groups to families in-person and virtually.

The Mother Cabrini Health Foundation is a private, nonprofit organization whose mission is to improve the health and well-being of New Yorkers, bolster the health outcomes of vulnerable communities, eliminate barriers to care, and bridge gaps in health services. Named after a tireless advocate for immigrants, children, and the poor, the Mother Cabrini Health Foundation funds programs and initiatives across New York State that either provide direct healthcare services or address the social determinants of health.
